

CAMBRIDGE SUPERVISION TRAINING

Saturday November 6th 2010 10.00 – 4.30pm

(Registration from 9.30)

DAY WORKSHOP

At: Thriplow Village Hall, Middle St, Thriplow, Cambs SG8 7RD

Do you want to become a Supervisor?

presented by: **Penny Henderson** and **Anthea Millar**

This day workshop aims to address two core questions:

- Do you want to be a supervisor?
- Do you want to undertake some formal assessed training as a supervisor?

Using these questions as a frame for the workshop, we aim to provide a friendly and informal introduction to aspects of the responsibilities, ethics, skills and processes related to supervision, through theory, live demonstration, and experiential work.

We will also offer information and respond to queries about the CST Certificate (January – July 2011) and Diploma (September 2011– March 2012). This will provide you with an opportunity to meet the core tutors, and ask questions about these trainings, and other options for developing skills as a supervisor.

Tea & coffee will be provided. Bring a contribution for a shared lunch.

Fee: £80
